Dear Parents

What a wonderful time it is in Patriot land! I am writing this letter in support of the NEW Color guard programs that are forming at Morehead City Middle School and Newport Middle School. Mr. Donald Johnson, affectionately known as “Goober”, is heading up these feeder programs. The intent of a middle school program is to offer younger students the opportunity to learn the art of color guard and to make the transition into the High School program a smooth and easy one.

We are offering a five-day camp from July 16th – 20th at Morehead City Middle School, from 8:00 am - 12:00 pm, to start the process and to offer an experience for your child to love and appreciate. We are working on the cost of the camp, and we know that it will include the price of a rifle and a tee shirt. The finalized amount is $105.00. The $105.00 prices includes a $48.00 rifle, Camp tee shirt and 50.00 for camp instruction. This will be the only cost for your child in next year’s color guard program. We want to make this youth activity as affordable as possible, but we need to immerse them with technique so they can practice these skills over the summer. We will start Spin club during the first week of school.

Please send your camp fee to Morehead City Middle School Front Office. All Checks are to be made out to: The West Carteret High School Band Boosters. All registrations must be turned in by June 15, 2018.

Thank you for your support of the arts in Carteret County. We look forward in watching the growth, determination and excitement

Sincerely

Andrew T. Wright
Director of Bands
West Carteret High School
